WORK EXPERIENCE

Design Intern

ARTILLERY Magazine (Remote)

April 2025 – December 2025 Los Angeles, CA

- Improved the magazine's Instagram social media posts by using Photoshop and InDesign, making sure it aligns with the issue's theme.
- Implemented a new strategy in designing online materials to improve the magazine's brand by enhancing its social media presence.
- Enabled efficient design presentation by utilizing advanced design tools to ensure a consistent online presence.

UI/UX Designer (Academic Project)

Delta Dental

October 2023 – December 2023 Bronx, NY

- Partnered with peers & mentors gathering research insights that meets a user's need.
- Redesigned the dental company's app and website for enhanced visual layout and simple user experience.
- Created sketched wireframes to plan constructing the visual hierarchy to guide the grayscales layouts.

File Clerk Intern

Jawonio Inc.

July 2019 – September 2019 Yonkers, NY

- Enhance client information management by modernizing client records to ensure data accuracy.
- Developed an established Safety Data Sheet (SDS), ensuring its compliance with regulations for updated cleaning contracts.
- Optimized an enhanced file management system to improve the office's effectiveness.
