PROFESSIONAL SUMMARY

Versatile Graphic Designer with a BFA degree and hands-on experience working with print, digital and social media design. Proficient in Figma and Adobe Creative Cloud, along with a strong foundation in visual branding, and user-centered design. Recognized by multiple juried art exhibitions, and a recipient of the Sara Little Turnbull Fellowship and the Cullman Performing Arts Award.

EDUCATION

CUNY Lehman College — Bronx, NY
Bachelor of Fine Arts — *May 2025*
SUNY Westchester Community College — Valhalla, NY
Associate of Science — *December 2022*

WORK EXPERIENCE

Design Intern (Remote) — April 2025 – December 2025
ARTILLERY Magazine — *Los Angeles, CA*

- Designed Instagram social media posts in Photoshop and InDesign, ensuring visual identity is balanced with each issue's editorial theme.
- Developed a new design strategy for online materials to improve the magazine's brand and social media presence.
- Maintained visual consistency across all digital platforms by using advanced design tools.

UI/UX Designer (Academic Project), CUNY Lehman College — October 2023 – December 2023
Diversify by Design – DxD — *Bronx, NY*

- Collaborated with peers and mentors of gathering research insights to clarify the design requirements.
- Redesigned Delta Dental's app and website to enhance visual layout and simplifying the user experience.
- Created wireframes and grayscales to set up visual hierarchy to guide the design process.

File Clerk Intern — July 2019 – September 2019
Jawonio Inc. — *Yonkers, NY*

- Updating client information to improve record accuracy and accessibility.
- Developed an established Safety Data Sheet (SDS) to ensure regular compliances for updated cleaning contracts.
- Optimized the file management system to improve the office's efficiency.
